

If you are working in the **public sector** within the State of Massachusetts, by law, your funds must be transferred to the (public sector) retirement system having jurisdiction over your current public sector employment. You should immediately contact the public sector retirement system you are a member of and notify them that you have an inactive fund with the Newton Retirement System. They will forward us the required written request to facilitate the transfer.

Use this link to locate the Retirement System having jurisdiction over your new Massachusetts Public Sector Employment:

Note: All teachers belong to one retirement system, MA Teachers' Retirement System (MTRS), not the local retirement system.

Please contact the (Newton) retirement office at 617-796-1095 with any questions or if we may be of assistance in facilitating a transfer of your funds.
