**COMMUNITY ENGAGEMENT**

NPD AND THE MAYOR'S CRIME PREVENTION COMMISSION, NEWTON, MA –  
Newton Police Chief David L. MacDonald and members of his staff will speak with  
residents of the City in the Community Room of NPD Headquarters, 1321  
Washington Street, West Newton, Ma 02465 between 7 p.m. and 9 p.m.

The NPD goal is to continuously tend to relationships and increase understanding  
of how the NPD protects and serves the community. Community policing  
recognizes that police rarely can solve public safety problems alone; so it  
encourages interactive partnerships with relevant stakeholders. The range of  
potential partners is large, and these partnerships can be used to accomplish the  
two interrelated goals of developing solutions to problems through collaborative  
problem solving and improving public trust. The public should play a role in  
prioritizing and addressing public safety problems.
