

Development Review Team (DRT) Meeting Snapshot

Week of July 19, 2021

This week we have *virtual* DRTs on the following addresses. Please contact any land use planner at the Planning Department if you would like additional information on any of these projects.

Address	General Description of Project
100 Bellevue St	Special Permit for a garage addition to a nonconforming two-family dwelling (SR2, Ward 1)
46 Farwell St	Request to amend existing Special permit to convert first floor office space into residential units (MR2, Ward 3)
22 Kirkstall Rd	Special Permit for detached garage exceeding 700 square feet (SR2 Ward 2)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
