

Mayor Ruthanne Fuller and the City of Newton present Green Communities Grant Projects

**Investing Now for
Newton's Future**

This Project will replace the existing lighting systems at South High and NECP Schools with new LED lighting systems reducing our annual electricity costs by \$26,774. Building Insulating and Air Sealing at the Nonantum Library will also be included in this project in preparation for converting the building from oil fired steam heating to high efficiency air source heat pumps.
