Donate, Don't Judge

Contrary to popular belief, donations in any condition are welcomed by for-profit and non-profit textile collectors alike. This includes items with stains, rips, missing buttons or broken zippers. Why? Textiles are a valuable commodity! Items that don't sell in a thrift store are baled and sold to brokers or graders who sell to overseas markets. In developing nations, used clothing and textiles supply local enterprises with materials to repair and resell.

The *only* UNACCEPTABLE donations are:

- * wet/moldy items
- * items contaminated with oil or hazardous substance
