

Development Review Team (DRT) Meeting Snapshot

Week of August 9, 2021

This week we have *virtual* DRTs on the following addresses. Please contact any land use planner at the Planning Department if you would like additional information on any of these projects.

Address	General Description of Project
71-73 Ripley St	Special Permit to increase floor area ratio (FAR) and extend third floor (MR1, Ward 6)
39 Bemis St	Possible Variance to extend single-family dwelling into the rear setback (SR3, Ward 2)
100 Bishopsgate Rd	Special Permit to allow more than one garage (attached and detached) and increase floor area ratio (FAR) (SR1, Ward 7)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
