PRESCRIPTION DRUG COVERAGE

NOTE: See Comprehensive Formulary for limitations and exclusions

No annual dollar limit on prescriptions.

Deductible Stage

There is a \$480 Medicare Part D deductible which is satisfied by your copays and the Wrap coverage*. See cost share under the Initial Coverage Stage below.

Initial Coverage Stage

You stay in this stage until your year-to-date "total drug costs" (your payments plus payments by the Part D plan and Wrap plan) total \$4,430. During this stage:

- You pay the appropriate copay based on the tier of drug that you obtain.
- Tufts Medicare Preferred HMO plan will pay for 75% of the cost of the drug.
- The Wrap will pay the balance of the cost after your copay up to 25% of the cost of the drug.

You pay the following copays:

Retail Pharmacy	Tier 1	Tier 2	Tier 3
30-day supply	\$10	\$25	\$50
60-day supply	\$20	\$50	\$100
90-day supply	\$30	\$75	\$150
Mail-Order	Tier 1	Tier 2	Tier 3
Mail-Order 30-day supply	Tier 1 \$7	Tier 2 \$17	Tier 3 \$33

Coverage Gap Stage

- (1) For generic drugs on Tier 1 and Tier 2, you pay the Tier 1 and Tier 2 copays. The Wrap will pay the balance of the cost of the generic drug until you move into the Catastrophic Stage.
- (2) For brand name drugs, **you pay the brand name Tier 2 or Tier 3 copays**. The Wrap will pay the balance of the cost of the brand name drug after your copay and the 70% manufacturer's discount until you move into the Catastrophic Stage.

Catastrophic Coverage Stage

After your annual out-of-pocket costs reach \$7,050, you pay the following for your prescription drugs:

- \$3.95 per prescription for generic drugs (including brand drugs treated like generics).
- \$9.85 per prescription for brand drugs.
- The Wrap will pay the balance of the cost after your copay.

*In 2022, Tufts Health Plan will include Wrap coverage in conjunction with your Part D drug coverage. Depending on which benefit stage you are in, the Wrap covers a portion of the cost of the drug. **This** Wrap is additional coverage to your plan and is offered through Tufts Insurance Company. Please refer to the table above for how the Wrap works in the different stages.

Tufts Health Plan is a HMO plan with a Medicare contract. Enrollment in Tufts Health Plan depends on contract renewal. This information is not a complete description of benefits. Call 1-800-488-0229 (TTY: 711) for more information.
