ADDENDUM #1
INVITATION FOR BID #22-19

RFP SUPPLY AERIAL DRONES & PROVIDE OPERATIONS TRAINING

THIS ADDENDUM IS TO: ANSWER THE QUESTIONS BELOW:

Q1. On page 12 of the RFP document, for equipment under the DJI Mavic 2 Enterprise advanced package you are requesting (1) Flymore kit and 3 extra batteries, 3 extra props, 1 two way charging hub and shoulder bag. The Flymore kit you are requesting comes with most of the accessories you list on the lines below it including 2 extra batteries, 3 extra pairs of props, the two way charging hub, USB charger, and shoulder bag. Do you want the flymore kit that has all of that and then on top of that 3 more additional batteries, 3 more additional pairs of props, one more additional charging hub, and shoulder bag? I believe you are requesting just the Flymore kit that has all of the accessories listed and one additional battery that would get you a total of 4. Can you clarify and confirm?

A1. In reviewing your question, it specifically references only the “2) DJI Mavic 2 Enterprise Advanced.....” section.

In an attempt to clarify this specific area of RFP #22-19, we are looking for (1) DJI Mavic 2 Enterprise Advanced as well as (1) Flymore kit. Those two main items, as you have explained in your question, do contain many/most of the later listed items in this “2)” section. The other items listed in this specific subsection are an attempt to clarify what we ultimately need (for example we want to end up with three extra pairs of propellers which if already in the Flymore kit as you explained, we would not need three more additional unnecessary props which would bring the total to 6 extra pairs of propellers). We do want to end up with 4 total batteries for this unmanned aircraft.

Therefore, if the Mavic 2 Enterprise Advanced and the Flymore kit contain the later listed items, then no additional “accessories” would be needed.

All other terms and conditions of this bid remain unchanged.

**PLEASE ENSURE THAT YOU ACKNOWLEDGE ALL ADDENDA ON YOUR
BID FORM. FAILURE TO ACKNOWLEDGE ALL ADDENDA COULD
