Its purposes are to facilitate communication between Newtonville residents and the City Council and other city departments, to work with residents on a variety of local issues, and to foster community engagement through special events such as Village Day.

The Newtonville Area Council meets on the second Thursday of every month, and our meetings are open to the public.

We currently have 3 vacancies on the Council and invite civic-minded Newtonville residents to apply. Applicants must be over 18 years old and live within the Newtonville Area catchment area to apply.
