Re: Council Order #27-20 (2) (the "Council Order") / Riverside Station ("Riverside")

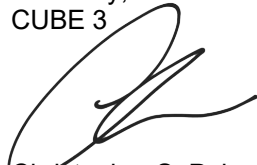

Dear Mr. Heath,:

Condition 9 of the above-referenced Council Order establishes a schematic design review process for the approved buildings at Riverside. The schematic design package for Buildings 7-10, dated February 9, 2022, will be filed with Ms. Shubee Sikka of your Department.

In accordance with Condition 9.1.ii of the Council Order, I hereby certify that the schematic plans for Buildings 7-10 are substantially consistent with the approved Special Permit Plan Set referenced in the Council Order.

Please let me know if you have any questions or concerns.

Sincerely,
CUBE 3

Christopher S. Poles
Associate Principal
