FY2023 City of Newton Operating Budget - \$3,000,000

The pandemic continues to have a negative impact on some of the City's revenue sources. Therefore, I am allocating an additional \$3 million in ARPA funds to supplement the Newton Operating Budget for Fiscal Year 2023. These funds will augment our projected revenues and thus enable City Departments and the School Department to continue supporting the vulnerable, recovering and reopening while providing services and programs to our residents, our students and our community.
