OPTION 3

COMPARATIVE SIZES

OPTION 1

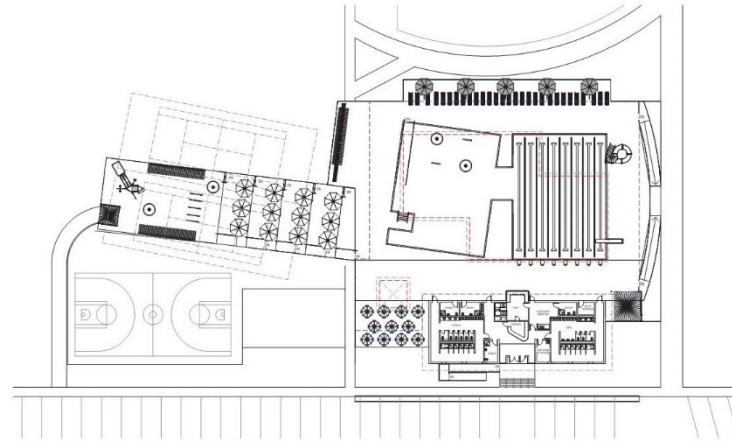

Existing Pool	7,400 SF
Proposed Pool	8,620 SF

Existing Deck Space	19,100 SF
Proposed Deck Space	15,700 SF

Wading Pool	275 SF
Proposed Spray Deck	3,250 SF

OPTION 2

Existing Pool	7,400 SF
Proposed Pool	8,500 SF

Existing Deck Space	19,100 SF
Proposed Deck Space	17,500 SF

Wading Pool	275 SF
Proposed Spray Deck	3,250 SF

OPTION 3

Existing Pool	7,400 SF
Proposed Pool	8,400 SF

Existing Deck Space	19,100 SF
Proposed Deck Space	16,500 SF

Wading Pool	275 SF
Proposed Spray Deck	3,250 SF

REVISTING GOALS AND OBJECTIVES

- Maintain and Activate More Green Space Around the Pool
- Improve Entry and Arrival Sequence
- Improve Experience for User Groups, Including Recreational and Competitive Swim
- Universal Access To Facility and All Pools
- Provide Leisure and Play Areas for Pool Patrons
- Create Flexible Pool Spaces For Different User Groups to Use the Pool at the Same Time
- Improve Operating Productivity by Eliminating Water Loss and Increasing Energy Efficiency
- Evaluate Bathhouse to Improve Overall Guest Experience
- Address Code, Accessibility, and Interior Upgrades
- Provide Improved Opportunities for Shade Structures and Sunbathing Areas
