TC8-22 COUNCILORS GREENBERG, LEARY AND OLIVER, requesting discussion and potential approval of a street sweeping trial on the following streets in Nonantum: Allison Street, Beech Street, Cook Street, Dalby Street, Faxon Street, Green Street (Cook St to Pearl St), Jasset Street, Kennedy Circle, Los Angeles Street, and Middle Street. The goal of the trial is to sweep streets once per month, on both sides, to provide for cleaner streets. In order to accomplish this goal, a significant number of poles and signs would need to be installed, on all streets within the trial area, to inform the public that parking would be restricted on both sides of all these streets for approximately four hours per month. Due to operational requirements, all parking on all these streets would need to be restricted during the same four hours each month, and all vehicles must be removed during these four hours, to allow for effective street sweeping. (Ward 1) [02/01/22 @ 2:12 PM] [REVISED 03/02/22 @ 8:25 AM]

ACTION: **HELD 5-0. Hold for a trial of the following: Add parking regulations, one day per month, on a day of the week and during a window of time to be determined by the Commissioner of Public Works, to accommodate a street sweeping trial on the following streets in Nonantum: Allison Street, Beech Street, Cook Street, Dalby Street, Faxon Street, Green Street (Cook St to Pearl St), Jasset Street, Kennedy Circle, Los Angeles Street, and Middle Street.**

Respectfully submitted,

David Koses, Transportation Coordinator
Traffic Council Chair
