CITY CLERK
NEWTON, MA. 02459

That the Council, finding that the public convenience and welfare will be substantially served by its action, that the use of the site will be in harmony with the conditions, safeguards and limitations set forth in the Zoning Ordinance, and that said action will be without substantial detriment to the public good, and without substantially derogating from the intent or purpose of the Zoning Ordinance, grants approval of a SPECIAL PERMIT/SITE PLAN APPROVAL to extend a nonconforming front setback (§3.1.3, §7.8.2.C.2); extend a nonconforming rear setback (§3.1.3, §7.8.2.C.2); and extend nonconforming lot coverage (§3.1.3, §7.8.2.C.2), as recommended by the Land Use Committee for the reasons given by the Committee through its Chairman, Councilor Richard Lipof:

1. The proposed extensions of the existing front and rear setback nonconformities would not be substantially more detrimental than the existing nonconforming use to the neighborhood as the addition's front and rear setbacks will be greater than those of the existing structure. (§3.1.3; §7.8.2.C.2)
2. The proposed extension of the existing lot coverage nonconformity would not be substantially more detrimental than the existing nonconforming use to the neighborhood given the small increase of less than 200 square feet and the continued existence of a deep front setback along one of the property's two frontages. (§3.1.3; §7.8.2.C.2)
