ITEM SHEETS

The Contractor shall insert prices for each item in ink, in both words and figures, and is to show a total bid price. In the event a discrepancy between the written words and figures, the written words shall govern. In the event an error in the bidders total bid price, the corrected total bid obtained by the summation of the products of the unit prices multiplied by the respective quantities shall stand as the bidder’s total bid price.

The Contractor is advised to review any related plans, conduct a full site review, and read all the provisions in the document before inserting prices. All Prices shall include the supply of material and installation costs (including all labor, materials, supervision, equipment, travel, etc.).

The estimated quantities (Est. Qty.) shown here are based solely upon a reasonable assessment of the project parameters. They are the City’s best estimate based on prior experience. Actual quantities may be more or less than those estimated. Regardless of the amount of the actual quantities, the unit price(s) shall be those set forth in the Bidder’s Item Sheets.
