CITY CLERK
NEWTON, MA. 02459

#161-22

26 Magnolia Avenue

CITY OF NEWTON

IN CITY COUNCIL

April 19, 2022

ORDERED:

That the Council, finding that the public convenience and welfare will be substantially served by its action, that the use of the site will be in harmony with the conditions, safeguards and limitations set forth in the Zoning Ordinance, and that said action will be without substantial detriment to the public good, and without substantially derogating from the intent or purpose of the Zoning Ordinance, grants approval of a SPECIAL PERMIT/SITE PLAN APPROVAL to exceed the allowed floor area ratio (FAR) (§3.1.3, §3.1.9) and allow retaining walls exceeding four feet in height within setbacks (§5.4.2.B), as recommended by the Land Use Committee for the reasons given by the Committee through its Chairman, Councilor Richard Lipof:

1. The site in a Single Residence 2 (SR2) zoning district is an appropriate location for the proposed retaining walls exceeding four feet in height within the side and rear setbacks given the slope of the lot. (§5.4.2.B; §7.3.3.C.1)
2. The proposed retaining walls exceeding four feet in height within the side and rear setbacks will not adversely affect the neighborhood given their limited visibility from adjacent properties and public ways. (§5.4.2.B; §7.3.3.C.2)
3. The proposed retaining walls exceeding four feet in height within the side and rear setbacks will not create a nuisance or serious hazard to vehicles or pedestrians. (§5.4.2.B; §7.3.3.C.3)
4. Access to the site over streets is appropriate for the types and numbers of vehicles involved. (§7.3.3.C.4)
5. The proposed dwelling with a floor area ratio (FAR) of 0.40, where 0.33 is the maximum allowed by right, is consistent with and not in derogation of the size, scale and design of other structures in the neighborhood as the resulting structure would be similar to size and scale to existing structures in the surrounding neighborhood. (§3.1.3; §3.1.9)
