ANTICIPATED SCHEDULE

WHAT WE HEARD

- Provide enclosed garden beds with gardening medium (clean soil in beds).
- Accessible garden beds that provide ability to work at seating height.
- Provide a seating area/gathering space for site users.
- Use accessible stone dust materials for pathways between garden beds.
- Provide water service and distribute a sufficient number of yard hydrants throughout the plots.
- Provide perimeter planting buffer.
- Add fencing that keeps animals out of the raised beds.
- Incorporate a storage shed and compost collection area.
- Locate seating in shaded areas, utilizing shade from existing trees.
