

CITY OF NEWTON - CULTURAL DEVELOPMENT

ART EXHIBITION GUIDELINES AND POLICIES

The City of Newton is offering the opportunity for artists and art organizations to use certain parts of the first and second floor hallways of City Hall to display original artworks. Our goal is to display high quality, original artworks, with a preference being given to local artists.

PROCESS

In order to display artwork at City Hall, artists or art organizations must submit a [Gallery Exhibition Interest Form](#) which is available on the City of Newton website. You may also request a hard copy in-person at the Cultural Development Office.

Submissions must be original artwork of the artist. Artwork cannot show images of violence, political views, or profanity. Submissions will be reviewed and juried by a board composed of representatives of the Cultural Development Office. The board will have sole and exclusive discretion about which artwork will be displayed. All decisions are final and not subject to an appeals process.

Once notified of acceptance of a submission, the artist or organization must contact the Office of Cultural Development to arrange or confirm exhibit dates, and other deadlines.

The artists retain all copyright in any work submitted for consideration. However, by displaying artwork in City Hall, the artist grants a license to the City to freely use, print and reproduce the work, in whole or in part, for promotional, or any other purposes.

The City of Newton assumes no responsibility for lost, stolen, or damaged items while in transit, on display, or during installation or removal of the exhibit. All artwork displayed in City Hall is done so at the artist's risk.
