

Full Neighbor Support

City of Newton

To All It May Concern:

In discussions with my direct neighbors, Celia and Dan Ivanov at 39 Floral St., I have learned of their plans to build an addition to their present home. The plans call for a garage and bedrooms on a second floor above the garage.

I wish it to be known that as direct abutter to their property, I support and endorse their efforts to make this addition to their existing house at 39 Floral St, Newton, MA.

Kind regards,

Cheryl R. O'Neil & David G. O'Neil
