**\*\* NOTE IN-PERSON TIME AND PLACE \*\***

This month, we bid farewell to Nicole Freedman, Director of Transportation Planning and our strong partner in safe and convenient transportation for everyone. Nicole has accepted the position of Executive Director for the New England Mountain Bike Association (NEMBA).

We thank her for six years of great work in Newton, including leading more than \$10 million in grants for improved bicycle and pedestrian facilities.

We will spend the first part of the meeting discussing the future of the programs that Nicole is responsible for in Newton.

From 5:30-6PM we'll have a joint celebration and farewell event with Bike Newton. All are welcome! The meeting will be held outside at the Nataniel Allen House in West Newton. There is a tent covering the space in case of rain. The site is accessible and restrooms are available.
