Thanksgiving Community Meal

TUESDAY, NOVEMBER 22, 2022 | 6:30PM

The symbolic meaning of Harvest in Scripture encompasses two main areas: God's provision for us and God's blessing for others. The Ancient practice of harvesting required that farmers only harvest enough for their homes, not to harvest the edges of their field, and to never go over your field twice for scraps. Why? The unharvested corners and that which was left behind was for their neighbors who may have need.

Gleaning and Giving was the heart of the harvest.
