The listing of matters are those reasonably anticipated by the Chair. Not all items may in fact be discussed and other items not listed may also be brought up for discussion to the extent permitted by law. Times listed are approximate. Public Comment is not a discussion, debate, or dialogue between citizens and the SC, it is a citizen's opportunity to express their opinion on issues of School Committee business. The Committee may respond to a public comment by taking it under consideration when deliberating on an agenda item or referring them to the administration for appropriate action or response. Public comment shall be for a period of 15 to 30 minutes with speakers being allowed to present their material(s) to the School Committee Secretary for distribution.
