

# Development Review Team (DRT) Meeting Snapshot

Week of December 12, 2022

This week we have virtual DRTs on the following addresses. Please contact any land use planner at the Planning Department if you would like additional information on any of these projects.

<b>Address</b>	<b>General Description of Project</b>
355 Lexington St	Special Permit to allow addition extending a nonconforming front setback (SR3, Ward 4)
107-109 Elliot St	Proposed multi-family dwelling (MR2, Ward 5)
1175 Walnut St	Special Permit for proposed for-profit music school (BU1, Ward 6)

Please note this list was compiled before these meetings will take place and that projects may evolve over time. Cancellations do occur and the Planning Department is sometimes able to schedule another project in its place. Not every project has a DRT – DRTs are generally done only where some type of site plan review will likely be required.
