RUTHANNE FULLER
MAYOR

December 12, 2022

Honorable City Council
Newton City Hall
1000 Commonwealth Avenue
Newton Centre, MA 02459

Councilors:

I respectfully submit a docket item to your Honorable Council requesting authorization to appropriate and expend \$150,000 June 30, 2022, Certified Free Cash to fund the purchase of an trackless sidewalk clearing machine. The Department of Public Works has been fortunate to identify a second trackless available for purchase this year. (The City Council recently approved the first one).

This request will provide funding for the replacement of a 1998 trackless sidewalk clearing machine which is beyond its useful life. Attached is the quote for the purchase of a new trackless.

DPW put a sidewalk clearing bid out twice this year and received no bidders; therefore, all sidewalk clearing will be done in-house. Modern and well-functioning sidewalk clearing machines are essential to our snow clearing operations.

Thank you for your consideration of this matter.

Sincerely,

Ruthanne Fuller
Mayor

Clearing Machine

Date: December 9, 2022

I respectfully request that the Mayor docket the following request to appropriate and expend one hundred fifty thousand dollars (\$150,000) to fund the replacement of a 1998 trackless sidewalk clearing machine beyond its useful life.

Attached is the quote for the purchase of a new trackless. The trackless is a critical piece of equipment in our sidewalk clearing operations. The Department of Public Works put a sidewalk clearing bid out twice this year and received no bidders; therefore, all sidewalk clearing will be done in-house.

Thank you for your consideration of this matter.
