

To the Inspectional Services Department City of Newton Massachusetts:

I, as the owner of the property located at _____,
understand that the work being done on my property in conjunction with building
permit number _____ will in no way be used or rented out as separate
dwelling unit. The area in question will be used contiguous with the rest of the
house. I further acknowledge that I am aware of the fact that if I use or rent this
area as a separate dwelling unit that I could be required to remove all
construction that was completed under the permit numbered _____.
