Dear Mr. Mellett,

The Friends of Cold Spring Park (FoCSP), in support of the Project Proposal to be presented by BSA Life Scout Owen Serra of Troop 209 in Newton, and in collaboration with him, is pleased to gift nine wayfinding signs to the City of Newton at an estimated cost of \$2,279.17; similarly described and based on the "Wayfinding Signage proposal for Cold Spring Park" submitted to your office on March, 2 2023. Friends of Cold Spring Park is prepared to gift an additional amount, up to a total of \$4,000, should the project cost more than the estimated cost. We greatly appreciate the support of the Department of Parks, Recreation & Culture in helping to make Cold Spring Park more navigable and accessible to new visitors.

Sincerely yours,
