## **Preliminary Materials Estimate**

14<sup>th</sup> April 2023

### **OVERVIEW**

Below please find preliminary cost estimates for the fabrication of directional signage as outlined in our proposal titled “**Wayfinding Signage proposal for Cold Spring Park**“ which was submitted to your office in March of 2023. The estimate consists of 3 parts: **Signage, Signposts and fasteners** and **Other**. Design services will be donated by WeinDesign and final art will be provided to our chosen local sign fabricator. Once sign fabrication is completed, Life Scout Owen Serra will assemble all materials and affix the signs to the signposts which will be installed by members of his troop and other volunteers at a future date. It is my understanding that the City of Newton will arrange to have pre-dug the required holes prior to the installation date.

### **Signage: \$1,355.00**

1. **23** signs (36” H x 3.5” W 040 aluminum) @ \$50 per sign = \$1150
2. **2** Project acknowledgement signs @ \$35 per sign = \$70
3. Graphic setup fee - = \$135     **NOTE:** Delivery of signs not included.

### **Signposts + fasteners: \$250.67**

1. **9** signposts (4” x 4” x 8’ pressure treated wooden posts) @ \$13.88 per post = \$ 124.92
2. **2** (2” x 4” x 10’ pressure treated dimensional lumber) @ \$7.18 per stud = \$14.36
3. **3** Stainless steel Tamper resistant screws (#10 x 1 1/4 in Torx, 25 PK) \$15.02 = \$45.06
4. **1** lb. #9 x 3 in. 10-Penny Hot-Galvanized Steel Common Nails = \$7.63
5. **5** Construction Adhesive caulking tubes (LN Fuze It Max 9 oz.) \$11.74 = \$58.70
6. **Optional: 9** Post Protector (4 in. x 4 in. x 30 in. In-Ground HDPE) \$25.69 = \$231.21

### **Other: \$ 573.50**

1. Gravel mix: **50** (50 lb. All-Purpose Gravel bags) \$6.97 = \$348.50
2. Stone dust: **1** ton - \$39.00 (Delivery \$146) = \$185
3. Misc. supplies: Saw blade, spray paint and drill bits. Approx. = \$40
